

Professional Voice Study Script

Record these same four phrases in each of your three sessions. Speak naturally. Complete every session on a different day at approximately the same time, preferably within the same two-hour window.

01 NEUTRAL

"My name is _____. This session is part of an ongoing identity study."

02 ASSERTIVE

"I do not give permission for my voice to be replicated without my consent."

03 EXCITEMENT

"I am excited to have my voice measured as part of this identity study."

04 AGGRESSIVE

"I strongly object to my voice being used without my permission."

RECORDING CHECKLIST

Same phone • Quiet room • Phone within 6 inches • Same distance each time • Same two-hour recording window each day • Enter the actual recording time

Your recording is analyzed only with your consent. The study app extracts measurements and a cryptographic fingerprint, then releases the audio. Creator DNA does not retain the raw recording.
